

UWIA Land Use Committee Meeting Announcement

On September 16, 2021, Governor Newsom signed AB361, which allows board members / committee members to vote to continue to attend publicly announced meetings telephonically while California is in a declared state of emergency. Effective April 26, 2022, the Executive Committee voted to extend the provisions of AB361 for Board and committee meetings for another 30 days (extended through June 2, 2022). Please be advised that some, or all, Land Use Committee members may attend this meeting telephonically.

Consistent with provisions of AB361, a physical location from which members of the public may observe the meeting or offer public comment will not be made available. GM Properties will not be open to the public for this meeting; however public comment on the attached agenda can be provided via email at info@uwia.org.

Please submit public comments and questions at least one hour before the start of the meeting to ensure the Land Use Committee members receive them in time to view them at the meeting.
