UPTOWN WHITTIER IMPROVEMENT ASSOCIATION

<p>Complex at the SW Corner of Philadelphia & Comstock – Ben Pongetti</p>	<p>with each unit between 600 & 1,300 sf. The site is 8 acres. This development is coupled with the Ficus tree removal which is impeding access/pathway. If the arborist were to cut back the trees they will not be salvaged. There are to be 8 studios, 33 one-bedrooms, 11 two bedrooms, and 2 roof decks. It is expected to go back to the Planning Commission on July 18th. There are lofts on the 4th floor. Reducing standards for parking for the studio and the one-bedrooms. There are to be 90 parking spaces including tandem parked garages and the common/public parking area is considered.</p>	
<p>6. Update on the People Mover Project and Meeting – Ben Pongetti</p>	<p>No movement at this time. Hopefully back to City Council on June 28th. The item has been pushed back due to full Agendas.</p>	<p>6. No Action Taken</p>
<p>7. Discuss the Ability of Property Owners to do Cosmetic Improvements to their Building Should the Permit Process Be Less Restrictive and Fees Reduced or Waived – Frank Rinaldi</p>	<p>Frank Rinaldi started the discussion by stating this conversation is not intended to be disrespectful but the current process is restrictive for property owners concerning maintenance. It is not beneficial to the property owners and the City. It is aggravating waiting 3 or 4 weeks to paint a building the same color and does not see a need for a Design Review Board process for approval to only repaint the same color. Ben Pongetti acknowledged the largest impediment and instructed Frank to present to the Council and request to waive fees in certain areas. Frank asked Ben Pongetti if he can outline the process that is in place. Frank cannot pinpoint the stumbling blocks. Frank stated he does not understand the process, why it is what</p>	<p>7. No Action Taken</p>

	<p>it is, and is hoping to streamline. Ben Pongetti will map out the process more clearly and will streamline it. Frank asked if all of uptown is included in this process. Ben Pongetti replied Council created a list including some buildings more historical than others. Frank stated if any person or department needs to discuss with him directly to advise and Frank will set up a meeting. Ben Pongetti will advise if need be.</p>	
<p>8. Other Committee Items</p>	<p>Ben Pongetti announced he is no longer interim director. Ben is now Director of Community Development. Congratulations extended.</p> <p>Ben Pongetti announced the Promenade is going before the Council tonight at the meeting with three options consisting of one option from 2019, one option from 2020 with artificial grass; and one option is to open the Promenade. The Ficus trees were discussed. It was recommended for any interested parties to access the City website.</p>	<p>8. No Action Taken</p>
