Jose explained he is responsible for the barricades. Overseas graffiti, asphalt, homeless encampments, and Conal added Jose does public right of way. Stephen asked Jose if there were any concerns. Jose replied one, off Bailey Street and Greenleaf Avenue. He left his business card because there is graffiti on a mural. Jose is waiting on a response from the owner because they do not want to touch the mural. Stephen asked if the owner has been contacted. Jose stated he brought in a release to paint or requested to contact the owner. Conal stated it is best for the store operator to contact the owner. It's a delicate matter. Brent stated review Aleco’s contract and UWIA’s liability.</p> <p>Discussion moved onto UWIA paying for Whittier police officers. Milt believes it is expensive. Stephen stated roughly \$140,000.00 per year. Milt asked what are the benefits. Stephen replied the officers present within the community. Collaboration within the city Board approval best to get a contract. Conal McNamara stated he can’t discuss on city funds and recommends talking with the police chief. Stephen agrees and the city needs to agree and vote. Conal stated it is a process. The budget begins in February, study session in May, and vote in June. Stephen asked if it is good to discuss with the police chief in January/February. Conal replied, correct. Steven Rodriguez stated the difference with actual is paid, visual adds value, and also understands the officers when needed are pulled. Conal wanted the committee to keep in mind the time it takes to hire a new officer. Officer time at the schools is different from Uptown. Stephen stated there is interest to move forward. Steven would like to consider overtime of existing officer base as well. Conal recommends talking with the police department on need. Chris Cervantez stated if Uptown work is offered on an overtime basis guys will jump on it. Bad guys up to no good</p> | <p>the next meeting. | | <p>like dark places with low activity and will know if there are officers regularly patrolling the area, keep in mind people talk. Cheaper with overtime???? Brent asked Conal if the City Council approved placing the increase in sales tax measure on the ballot next year. Conal replied yes, in March. Brent asked if the measure includes funds for the police department. Conal replied he does not know what is programmed out. Stephen stated possibility for a Grant Writer and not just for police either. Grant writers only get paid on what they bring in so they can be very successful and if not there is no cost and they move on. Stephen does not know if GM Properties can check into grant riders or not.</p> <p>Stephen Ortiz and Carlos Lopez walked the Uptown areas. Good to see and have that kind of event. Sidewalk agrees and supports the walk and the community on Greenleaf Avenue & Philadelphia Street. Future would like to partner with the city, WUA, and business owner through an organized walk, have a mission, and rules of engagement. Conal stated do not engage the public during any organized walk (especially homeless). Further discussion on homeless. There are sworn officers who are qualified to engage. Chris recommends leave the homeless up to the security though understanding engagement at normal shift. Conal added council knows homeless etc. They do not need to be informed of problems. It should be more of a social and greeting</p> | |

| | <p>one another. A natural deterrent as a group. Milt talked about the bikes and tarps being up. Conal replied the city just took down Hadley Street and Bailey Street abatement removal. Steven Rodriguez stated the homeless are removing the roof skylight to shower at schools. Further discussion on homeless issues. Conal stated have a letter on file to remove, install cameras and lighting. Steven stated it is important to have a clear idea and be respectful. Steven would not feel comfortable on an organized walk if no protocol of engagement and debrief.</p> | |
| <p>9. 2019 Sidewalk Initiatives</p> | <p>Stephen Ortiz opened the floor for discussion. Conal stated the city is open for proposals UWIA & WUA provided and open for discussion. Conal replied the police chief. Stephen stated he will work with Mark. Stephen moved onto the beautification award/recognition. Not necessarily money, but a plaque. All in agreement.</p> | <p>9. Coastal Landscape Report 03-05-2020

This month we have been dealing with a large amount of leaf waste due to the cool weather. At times we will clean an area and the next day it will look like we were not there. The human trash has been at a constant, no changing their habits! Last week we sent a notice for some graffiti removal and was taken care of really fast, 1 day turn around. I have included a photo of the report as well as the before and after shots. The small graffiti, pens and stickers has increased though. They seem to love our trash cans and small fencing around the planters on Greenleaf. Our chemicals take care of these. If there is any feed back I would love to hear some, positive or negative. Thank you. Tyson smith 310-613-3353

Aviv:

Thank you for taking the time today to discuss the UWIA request for additional services from Whittier PD. As we discussed, a possible solution to our request for additional services might be accomplished through the use of overtime hours offered to existing Whittier PD.

At your earliest convenience, could you please provide me with a per hour estimate of cost for Whittier PD support. This information will be extremely helpful to the UWIA Sidewalk Operations Committee as we consider the options available to the UWIA for providing a safer environment to visitors of the Uptown District.

As we discussed, a possible option may be to provide OT to existing Whittier officers (two officers) and provide the Uptown District with support on Fridays and Saturdays (5pm to 1am). Once I receive your per hour estimate, the UWIA Sidewalk Operations committee will be responsible for developing recommendations for a pilot program for this additional services. I'll would also like to ask for your patience as it may take some time to have these discussions and receive approval from the Sidewalk Operations committee and UWIA Board.

Please email me if you have any questions or require additional clarification.

Best regards,

Stephen Ortiz
UWIA Sidewalk Operations Committee Chairman
